Figures assume the student borrows the amount shown for their fee category. Actual borrowing depends on eligibility, available HELP balance, any VET Student Loan already used for this course and how much the student chooses to borrow.

IMPORTANT INFORMATION	
Additional costs	Students are responsible for additional costs such as uniforms, immunisations, criminal history checks, CPR currency and digital devices.
VSL loan fee	A 20% loan fee applies to VET Student Loans accessed by full-fee students. The loan fee is added to the student's VETSL debt by the Australian Government and does not count towards the student's HELP balance. The loan fee does not apply to eligible students undertaking state or territory government-subsidised training.
2027 VSL cap	The Australian Government has confirmed a 2027 VET Student Loans course cap of $19,984 for HLT54121 Diploma of Nursing. The full-fee estimates in this schedule use that cap across the three semesters.
