

High School Health Adventure

Are you a year 10, 11 or 12 student thinking about a career as a healthcare professional? If so this program is for you!

High School Health Adventure is a three day hands on immersive experience to expose high school students to the exciting opportunities available in a variety of healthcare professions. This program will use simulation to provide an experience of what 'a day in the life' of a healthcare professional might look like.

When: 9 am – 3.30 pm over three days during school holidays. See website for availability.

Location: Mater South Brisbane Campus
Raymond Terrace, South Brisbane

Cost: \$499 (incl. GST)

Course structure:

This is a three day course delivered by an interprofessional team using simulation, small group activities, skills stations, panel Q&A with graduate health professionals and a small education fair to highlight education pathways and requirements to a career in healthcare.

Who should attend?

Students in year 10, 11 and 12 who are interested in a career in healthcare and would like the opportunity to experience what 'a day in the life' of a healthcare professional might look like.
