Student Commitment

- The course carries a full-time study expectation. Students are expected to attend three full days of class (contact hours: 8.00 am – 4.00 pm), and conduct additional self-guided learning outside of class.
- All units are taught in a linear delivery method, encompassing classroom, problem based learning and simulation teaching strategies.
- Students will receive detailed timetables and be placed into smaller problem-based learning groups upon commencement of the course.
- This timetable is applicable to semester one students only. As students move into semesters two and three, the subjects and timetable will change.

Important Dates

- Start: Monday, 21 January
- Workplace experience: Students will undertake a placement of 120 hrs in Semester One. All students will be required to attend full-time during placement. Student contact hours and dates may vary depending upon the workplace they are attending.

Note: While we endeavour to hold the outlined timetable, it may change depending upon student and staffing and placement availability.
