

Do you want to experience a day in the life of a health professional?

Book your spot in Mater Education's popular High School Health Adventure program today!

What to expect:

This is a hands-on, one or two-day immersive experience based at our world-class Mater education campuses in Brisbane and Townsville, available for students in Years 10-12.

Wear scrubs and learn how to perform CPR, dress wounds, take vital signs, suture, support patients and their families through medical procedures and much more.

Participate in small group activities, skills stations and listen to a panel Q&A with graduate health professionals.
