| 7 Queensland Children's Hospital | |

Key

-  Parking
-  Drop off zone
-  Adult Emergency
-  Private Emergency
-  Security booth
-  Main entrance

1. Park at the [Hancock Street Car Park \(P1\)](#) and make your way to the corner of Hancock Street and Raymond Terrace.

2. Turn right and walk straight until you reach the entrance to the Mater Cancer Care Centre (labelled Duncombe Building on the map above - 13).

3. Cross the road at the crossing in front of the security booth and follow the signs that lead you past Mater Emergency.

4. Once you have walked past Mater Emergency, you will reach a courtyard with some garden beds. Turn left, enter the Whitty Building and take the lift to the second level.

5. At the second level, turn right from the lift or stairs and look for the laminated signs to show you the direction to the Corbett Room. Please enter to the Corbett Room for your workshop.
