

Training in schools

# School Holiday Programs

**Experience a day in the life  
of a health professional**

**Are you a student in Years 10-12?**  
**Interested in pursuing a career in healthcare?**  
Be immersed in a real hospital environment  
and get hands-on experience at a one or  
two-day High School Health Adventure.

**Scan the QR code  
for upcoming dates  
and enrol now!**

 **mater**  
education

## Explore a career in healthcare

Our two-day High School Health Adventure program lets you experience a variety of different healthcare specialities.

Learn from medical officers, nurses, midwives, physiotherapists, pharmacists, social workers and occupational therapists.

Available in school holidays in Brisbane and Townsville.

## Wear scrubs

**Hear from  
practicing healthcare  
professionals**

## Learn how to perform CPR on medical mannikins

## Practice taking and interpreting vital signs

## Try your hand at suturing and dressing wounds

**And much more!**

## Want more?

Our intensive one-day High School Health Adventure experiences delve deeper into the specialty you're most interested in.

**Available in Brisbane**

### Nursing experience – for future nurses

## Maternity experience – for future midwives

### Medical experience – for future doctors

**Allied health experience** – for future physiotherapists, occupational therapists, audiologists, pharmacists or social workers.

**Available in Springfield**

**Springfield experience** – for future nurses, allied health or pathology professionals.
